

To get to Lafayette Ropes Course:

From Syracuse and North take 81S to 481 (it's that left exit past the Brighton Exit where you can either stay on 81 or go on 481. You'll see a sign for Rock Cut Road – do NOT go on Rock Cut Road, stay on 481). Get off of 481 at the Jamesville Exit and go into the village of Jamesville.

Turn rt. at the light and then your next left onto Apulia Rd. (across from the gas station).

Go 4.2 miles and look for a creek going under the road. Just past this creek is a little turn off and parking area on the left. It's very small so watch carefully!

Park here.

From the South, take 81N to the Lafayette exit. Get off and head east through the village of Lafayette on Route 20. Turn left at Apulia Rd. Head north until you see Bush Rd. on your right. Keep going about a mile and look for the turn off and small parking area on the right just before the creek going under the road. There is a guardrail that curves down here.

Park here.

On foot, follow the path into the woods that takes you up to the ropes course.

It's about a 1/4 mile walk through the woods and mostly uphill. There are some trail signs along the way.
